

FOR IMMEDIATE RELEASE

New City Manager is Welcomed to Fairmont
Fairmont's new City Manager, Robin Gomez, starts December 7th

FAIRMONT, WV- December 4, 2015- The City of Fairmont will start a new chapter come Monday when Robin Gomez, the new City Manager, begins his duties. Mr. Gomez comes to Fairmont from Clearwater, Florida, where he served as the City Auditor for 16 years. He will be jumping right into the Fairmont community and residents can expect to see him around the City.

His focus will be on working with the guidance and leadership of the Mayor and Councilmembers together with City staff on the 2017 budget process that will begin shortly after his first day. Continuing the high quality of City services that Fairmont provides is also a top priority of his. "Fairmont has been providing high quality City Services for years, and I want to work with the Mayor, Council, and all of the City staff to maintain that level of service," he said.

"I am very excited to be a contributing member to the Fairmont community and to be an adopted Mountaineer," Mr. Gomez said. His first City Council meeting will take place on his second day of work, December 8th, where he looks forward to meeting residents and business owners. "I want to be out in the community getting to know everyone as much as I can and hope to meet the public around Fairmont and at City Council meetings," he said.
